• HIS WORKMANSHIP

This is an interactive Bible Study that will be more devotional in nature as it studies the Biblical concepts contained in John Bunyan's book, "The Pilgrim's Progress." This book is an allegory of "Christian" who begins a journey through the "wilderness world" on his way to the Celestial City. "Christian" faces and overcomes hardships that would try to prevent him from reaching the Celestial City. We will apply the Biblical principles from this allegory to our current day spiritual journey.
