- 1) What steps or applications do you think you could actually implement today, tomorrow, or this week?
- 2) Explain where you see the most struggle in your own walk with Christ? Why do you think that is?
- 3) How will today's topic impact your actions? Will it? Why or why not?
- 4) If God could give you anything you wanted today, what would it be? Secondly, explain what that "thing" says about your relationship with God.
